~ General Information ~

~ Notes ~

**Sale Time:** 1:00 CST, Thursday, February 16, 2012. Complimentary noon lunch. There will be refreshments and food later in the afternoon on Wednesday, February 15.

**Location:** At the ranch. From Argusville on I-29: 7 West on Cass #4, 1 North & 1/2 West. From Casselton @ I-94: 10 North on State Hwy 18, 5 East on Cass #4, 1 North & 1/2 East.

**Motels:** Holiday Inn, on Interstate 29 in Fargo <20 minutes to ranch> 701.282.2700.

Governors Inn, on Interstate 94 at Casselton <20 minutes to ranch > 888.847.4524.

Fargo has many nationwide hotels 20 minutes from OHR.

**Airline Service:** United serves Fargo's Hector International Airport.

**Delivery:** Free delivery to central points up to 300 miles and further distances at cost. Take your bull home sale day and get \$50 off.

**Free Wintering:** We keep your bull until April 1st on purchases of \$2500 or more. We recommend insurance for those animals not leaving on sale day.

**Guarantee:** All cattle are fully guaranteed according to the standards set by the American Red Angus and American Hereford Associations. 2010 born bulls have been fertility tested. We will test yearlings prior to delivery on 4/1. We recommend you test yearlings taken home on sale day.

**Terms:** Terms of the sale are cash or check. Settlement must be made immediately following the sale before animals can be loaded or delivered. Every animal sells to the highest bidder. Any correction from the auction block takes priority over printed material in the catalog. We will be retaining a semen interest in some of the bulls selling.

**Liability:** All attending the sale do so at their own risk. OHR assumes no responsibility for accident or injury.

**EPD's:** All EPD's are current as of January 12, 2012. As yearling weights, carcass ultrasound and scrotal measurements are taken the EPD's may change some by sale day. Registration numbers are provided so you can research animals further at breed websites: www.redangus.org or www.hereford.org.

**Cattle on Display:** All sale cattle are at the ranch and we will invite you to stop prior to the sale to look them over and visit with us. Many of the mothers and sires will be nearby also. Sale cattle will be available for viewing in thier display pens the afternoon of Wed. February 15 and again Thursday morning until the sale starts.

**Herd Health:** All bulls will be tested for BVD. Our herd is Johnes Free. All sale cattle were vaccinated and boosted this fall with Bovi Shield 5 and Ultra One Shot 7 and treated again with Ivomectin pour on in December. Vet work by Dr. Peterson and Casselton Vet Service - 800-216-9985.

**Supplement Sheet:** More information will be available upon request one week prior to the sale and available sale day, including: Ribeye, back fat, marbling, pelvic area and scrotal measurements. Current EPD's and weights are provided in the catalog. We hope to provide you with the most accurate information possible so when you see the cattle you can make the best selection for your program.

**Mail and Phone Bids:** Bidders unable to make the sale may contact the Olsons or a staff member to assist in the bidding process. Cell phone numbers listed below.

Cattlemen,

Welcome to our Red Power Performance Tested Bull Sale on Thursday, February 16th! The bulls are especially impressive this year with extra performance, muscle and the genetics to back it up. They have been performing very well on test and we are excited to see the data as it continues to come in!

Again this year we will be having a video sale! The bulls and heifers will not enter a sale ring. Video will play on each lot as it is sold. The sale animals will all be on display and available for your viewing in their natural environment. Many of the mothers and our sires will be there also. Additionally, the video for the sale will be available to you in early Feb. by requesting a DVD from us or viewing the video clips at: [www.olsonredpower.com](http://www.olsonredpower.com). We hope having this available prior to the sale will help you in your selection process.

This years offering is wonderful - featuring many performance packed, maternally backed powerful yearling bulls from breed-leading sires! There are many individuals that we firmly believe can impact the breed for years to come! We have a select group of 11 high quality Red Angus 2-year-old bulls also. Most of the bulls will work well on heifers. The heifers are right from the heart of our replacements and many are show quality!

We are continuing to collect data on the sale animals including carcass, scrotal and gain which will be available a week prior to the sale. All bulls in the sale will be tested for BVD and our herd is Johnes Free. Again we will be offering a \$50 discount if you take your bull on sale day or we will keep him until April 1st. We also offer free wintering on bulls over \$2500 and 300 mile delivery.

Our family has been in the registered cattle business since 1936 and we are strongly Committed to the cattle industry. We are here to serve you! Contact us if you have any questions or need more info prior to the sale. We invite you to come look at the animals anytime and hope to see you on the 16th.

Sincerely,  
The Olsons

Great Heifer Bull! Complete, long bodied, well muscled bull with a very smooth, correct structure. Dam and granddam are high volume, good uddered females that are easy to look at. Sire is son of the National Senior Champion Bull, Cayenne, and had a 70 pound birthweight, 796 weaning weight and 17 inch REA! Should keep birth weight down and add growth.

## This bull produces better mamas, not headaches

There's no mama like a Hereford-sired mama. Net income of \$51 more per cow per year and a 7% advantage in conception rate, compared to straight Angus females.\* All this from a bull that is known for its fertility and easy-going nature. Hereford bulls — better mamas and no headaches.

**Hereford — gentle bulls making black better.**
