Celebrating
84 Years
*of excellence in
registered cattle!*

~ General Sale Information ~

Sale Time: 1:00 CST, Thursday, February 20, 2020. Complimentary noon lunch.
Location: At the ranch. From Argusville on I-29: 7 West on Cass Co. #4, 1 North & ½ West. From Casselton on I-94: 10 North on ND #18, 5 West, 1 North & ½ East. 20 miles NW of Fargo.
Motels: Holiday Inn, Fargo 701-282-7200. Governors Inn, Casselton 888-847-4524.
Airline Service: Fargo Hector International Airport is served by United, American & Allegiant.
Delivery: Free delivery to central points up to 300 miles. We will work to facilitate further distances at cost. Take your bull home sale day and get \$50 off.
Wintering: We can keep your bull free of charge until April 1st, then we deliver.
Guarantee: All Cattle are fully guaranteed by the standards set by the American Red Angus and American Hereford Associations. Coming two-year-old and fall born bulls will be fertility checked prior to the sale. We will test yearlings before delivery of April 1st.
Terms: Terms of the sale are cash or check. Settlement must be made immediately following the sale before animals can be loaded out or delivered. Any corrections from the auction block or sale supplement sheet take priority over printed material in this sale catalog.
Liability: All attending the sale do so at their own risk. OHR assumes no responsibility for accident or injury.
EPD's: All EPDs are current as of Feb.1, 2020. As yearling weights, carcass ultrasound data and scrotal measurements are recorded the EPDs may change by sale day. Registration numbers are provided so you can research animals further with the breed associations.
Cattle on Display: All sale cattle are at the ranch. We invite you to stop prior to the sale and look them over and visit with us. Many of the mothers and sires are also here. Videos of the sale offering with also be available at our website ahead of the sale. Cattle will be displayed in pens next to our heated sale facility. This is a video sale - cattle will not enter a sale ring.
Herd Health: Our herd is Johnes Free. All bulls will be tested for BVD. All cattle were Vaccinated and boosted with Bovi Shield Gold 5 and Ultra One Shot 7 at weaning. They Were poured with Ivomec at weaning and in December with CleanUp. Vet work supervised by Dr Darin Peterson, Casselton Vet Service - 800-216-9985.
Supplement Sheet: More info will be available prior to the sale including: Ribeye, Marbling, Back Fat, Scrotal cm and Pelvic Areas. Also at our website; www.olsonredpower.com.
Mail or Phone Bids: Bidders unable to make the sale may contact the Olsons or a sale staff member to assist in the bidding process. DVAuction will broadcast the sale live on the internet where you can watch and bid. Further info on that listed below.

 - ~ Or type a message to the operator during the sale.

Cattlemen,

Welcome to our Red Power Performance Bull & Female Sale! We work hard to provide really good bulls that will work for you! Every good bull starts with a really good mother - the more great cows you can stack in a pedigree the better and more predictable the bull will be. Genetic selection is made on a balance of multiple traits with performance as a priority. We take pride in developing the bulls on a roughage based ration to ensure they will be sound, problem free and have longevity. Finally we stand behind our cattle 100%.

This year's offering is smaller in numbers. We culled harder to keep the quality higher. There are powerful yearlings, high quality fall bulls and some very nice 2 year olds too. Many of the bulls are well suited for use on heifers! The sale heifer pen is loaded with good ones! We did not catalog any bred females this year but plan to have some Red Angus bred females for sale privately.

Our family has been in the registered cattle business since 1936 and we are committed to providing you great Red Angus & Herefords that are productive, problem free and developed to last. Contact us if you have any questions.

Sincerely,
The Olsons

Our only calf by Domain from the Genex Sire lineup. Good length, smooth fronted, darker colored and out of a powerful, great uddered dam with an impressive 109 MPPA! BW and phenotype say he's a heifer bull but 43X has a lot of performance behind her and we only had one by this sire so I'm not sure how to recommend him. Hope to have DNA results back on him by sale day to increase his accuracies.

Heavy muscled, deep middled, easy doing, dark colored son of the popular Hometown 27A! Dam was top selling female in Mohican's 2016 sale. She has wonderful depth, udder quality & eye appeal with a 108 WWR on her calves! He has very balanced EPDs ranking him in the top 10% for WW, YW, Milk, M&G, SCF, BMI and BII. He is also Homozygous Polled! We used him on a few females last year.

Selling 1/2 interest and full possession.
