9 - Polled Hereford Heifers

32 Bred Females New for this year -
Selling Bred Females!

Celebrating
87 Years
*of excellence in
registered cattle!*

~ General Sale Information ~

Sale Time: 1:00 CST, Thursday, February 16, 2023. Complimentary noon lunch.
Location: At the ranch. From Argusville on I-29: 7 West on Cass Co. #4, 1 North & ½ West. From Casselton on I-94: 10 North on ND #18, 5 West, 1 North & ½ East. 20 miles NW of Fargo.
Motels: Holiday Inn, Fargo 701-282-7200. Governors Inn, Casselton 888-847-4524.
Airline Service: Fargo Hector International Airport is served by United, American & Allegiant.
Delivery: Free delivery to central points up to 300 miles. We will work to facilitate further distances at cost. Take your bull home sale day and get \$50 off.
Wintering: We can keep your bull free of charge until April 1st, then we deliver.
Guarantee: All Cattle are fully guaranteed by the standards set by the American Red Angus and American Hereford Associations. Coming two-year-old bulls will be fertility checked prior to the sale. We will test yearlings before delivery of April 1st.
Terms: Terms of the sale are cash or check. Settlement must be made immediately following the sale before animals can be loaded out or delivered. Any corrections from the auction block or sale supplement sheet take priority over printed material in this sale catalog.
Liability: All attending the sale do so at their own risk. OHR assumes no responsibility for accident or injury.
EPD's: All EPDs are current as of Jan 31, 2023. As yearling weights, DNA results and scrotal measurements are recorded the EPDs may change by sale day. Registration numbers are provided so you can research animals further with the breed associations.
Cattle on Display: All sale cattle are at the ranch. We invite you to stop prior to the sale and look them over and visit with us. Many of the mothers and sires are also here. Videos of the sale offering with also be available at our website ahead of the sale. Cattle will be displayed in pens next to our heated sale facility. This is a video sale - cattle will not enter a sale ring.
Herd Health: Our herd is Johnes Free. All bulls will be tested for BVD. All cattle were Vaccinated and boosted with Bovi Shield Gold 5 and Ultra Bac 7/Somubac at weaning. They Were poured with Ivomec at weaning and in January with CleanUp II. Vet work supervised by Dr Darin Peterson, Casselton Vet Service - 800-216-9985.
Supplement Sheet: More info will be available prior to the sale including: Ribeye, Marbling, Back Fat, Scrotal cm and Pelvic Areas. Also at our website; www.olsonredpower.com.
Mail or Phone Bids: Bidders unable to make the sale may contact the Olsons or a sale staff member to assist in the bidding process. DVAuction will broadcast the sale live on the internet where you can watch and bid. Further info on that listed below.

This sale will be broadcast live on the internet.

1. Create an account at www.dvauction.com under the register tab.
2. Apply for bidding approval by clicking on the ""details"" tab at least 24 hours prior to the auction. A DV representative will notify you once you have been approved.
3. Tune in for the sale and make your purchases.
 - ~ High speed internet is required for successful bidding.
 - ~ Our full-time support team can be reached at 402-316-5460
 - ~ Or type a message to the operator during the sale.

Cattlemen,

This year we will be selling 30 bred females! They are younger, with many good years ahead and represent a balance of the productive bloodlines that have made our herd great.

Again we submitted DNA on the bulls to confirm parentage and genetically enhance the EPD profile. This will increase the accuracy of the numbers and give a clearer picture of an animal's true value.

This year's offering is smaller in numbers but the top end quality is still there. Many of the bulls are well suited for use on heifers!

We hope you can be with us on Thursday the 16th in our new heated facility. If you can't make the sale it will be broadcast on DVAuction and videos will be posted there ahead of the sale. We have some who buy sight unseen - We guarantee your satisfaction!

Our family has been in the registered cattle business since 1936 and we are committed to providing you great Red Angus & Herefords that are productive, problem free and developed to last. Contact us if you have any questions.

*Sincerely,
The Olsons*

A-BAG-A-BULL

If you purchase a bull from us, we will provide you with credit equal to the value of one bag of Feeder Calf Certification Program or Allied Access tags for each bull you purchase. To redeem your credit, bring your receipt for the tags to next year's sale and we will apply it to your bull purchase.

The FCCP provides age, source and genetic verification for calves sired by registered Red Angus bulls. Cattle enrolled in the FCCP are accepted into the exclusive Choice+ and G.O. Red grids. The FCCP "yellow tags" are recognized by buyers nationwide and return a premium for Red Angus calves enrolled in the program.

The Allied Access program provides age and source verification for commercial cattlemen whose bull battery does not exclusively contain registered Red Angus bulls. Whether you are utilizing multiple sire breeds or halfblood bulls, enrolling in Allied Access demonstrates to buyers that you are taking an extra step in marketing your calves and adding value throughout the production chain.

To enroll in the FCCP or Allied Access, contact the Red Angus marketing department. Enrollment is simple and free of charge.

High on milk with good udder quality throughout the pedigree - so we call him Milkman! He is dark colored, fully pigmented, deep sided and made right. Dam has a 103.5 ratio on her calves and grandmother had a 108 ratio in ANL's herd when I purchased her. He's in top 20% for WW, Milk, M&G, Udder Suspension and Teat Size.

Mohican Karen Z14 TH 133U 719T Upgrade 69X
 Dam ANL 35U Victoria 59X

Full brother to last year's high seller at 13,500 to KLS in Wisconsin. Long sided, well muscled, dark colored, fully pigmented with a powerful mother. She has a 105.5 nursing ratio on 6 calves with a pedigree that traces to P606, Tank and 719T - breed legends for maternal greatness! Great EPDs also as he is a breed improver for 16 of 20 categories!

 Dam ANL 60D Banner Girl 1K

Heifer Bull with a great structure, good muscle, full pigmentation and a great cowfamily! Dam is a first calf heifer that weaned this guy at 116% and grandmother had a 108 ratio on her calves in ANL herd! One son went to Medonte in Ontario for \$10,000. A full brother to 68H sold to Isaacson in Mn for \$7000. He is Homo Polled and a breed improver for 16 traits!

A genetically verified female program for the commercial beef industry.

Benefits

- Added market exposure
- Genetic verification
- Maximized hybrid vigor

Requirements

- Sired by a bull battery ranking in the top 50% of the breed for the Baldy Maternal Index (BMI\$) or the Profitability and Sustainability Index (ProS)
- Bull ownership transferred

THE BALD-FACED TRUTH
ABOUT HEREFORD GENETICS

<p>7% Higher pregnancy rates</p>	<p>\$51 More per cow, per year</p>
<p>\$30 Advantage in feedlot profitability</p>	<p>\$20 Advantage in feed efficiency</p>

Hereford genetics maximize the value of your herd by leveraging traits such as fertility, feed efficiency, docility and feedlot profitability to your advantage.

*Compared to Angus-sired calves. Source: Dalry, David A. and Early, Sean P. Impacts of Crossbreeding on Profitability in Vertically Coordinated Beef Industry Marketing Systems. American Hereford Association. Retrieved from <https://hereford.org/wp-content/uploads/2017/02/Harris-HerefordReport.pdf>. 57100C06

~ New & Exciting! ~

Holland

Homozygous Polled, fully pigmented, well made bull with very balanced data & great EPD's. BW 79, WW 760, YW 1312, REA 14.85, IMF 4.11. Dam ratios 104.3 on 4 calves at weaning and 110 on IMF. He is in the top 10% for 13 Traits with a 10.5 CED (top 5%), 106 Carcass Wt. (top 1%). Owned with Candy Meadow Farms. Semen and embryos for sale.

CMF OHR 250D Holland 625H

Endure x Anodyne x Federal - AHA# 44203422

We have been using VitaFerm products in our herd for many years. It helps with the fertility and efficiency of our herd.
