## ~ General Sale Information ~

**Sale Time:** 1:00 CST, Thursday, February 15, 2024. Complimentary noon lunch.

**Location:** At the ranch. From Argusville on I-29: 7 West on Cass Co. #4, 1 North & ½ West. From Casselton on I-94: 10 North on ND #18, 5 West, 1 North & ½ East. 20 miles NW of Fargo.

**Motels:** Holiday Inn, Fargo 701-282-7200. Governors Inn, Casselton 888-847-4524.

**Airline Service:** Fargo Hector International Airport is served by United, American & Allegiant.

**Delivery:** Free delivery to central points up to 300 miles. We will work to facilitate further distances at cost. Take your bull home sale day and get \$50 off.

**Wintering:** We can keep your bull free of charge until April 1st, then we deliver.

**Guarantee:** All Cattle are fully guaranteed by the standards set by the American Red Angus and American Hereford Associations. Coming two-year-old bulls will be fertility checked prior to the sale. We will test yearlings before delivery of April 1st.

**Terms:** Terms of the sale are cash or check. Settlement must be made immediately following the sale before animals can be loaded out or delivered. Any corrections from the auction block or sale supplement sheet take priority over printed material in this sale catalog.

**Liability:** All attending the sale do so at their own risk. OHR assumes no responsibility for accident or injury.

**EPD's:** All EPDs are current as of Jan 30, 2024. As yearling weights, DNA results and scrotal measurements are recorded the EPDs may change by sale day. Registration numbers are provided so you can research animals further with the breed associations.

**Cattle on Display:** All sale cattle are at the ranch. We invite you to stop prior to the sale and look them over and visit with us. Many of the mothers and sires are also here. Videos of the sale offering with also be available at our website ahead of the sale. Cattle will be displayed in pens next to our heated sale facility. This is a video sale - cattle will not enter a sale ring.

**Herd Health:** Our herd is Johnes Free. All bulls will be tested for BVD. All cattle were Vaccinated and boosted with Bovi Shield Gold 5 and Ultra Bac 7/Somubac at weaning. They Were poured with Ivomec at weaning and in January with CleanUp II and given Multi Min 90. Vet work supervised by Dr Darin Peterson, Casselton Vet Service - 800-216-9985.

**Supplement Sheet:** More info will be available prior to the sale including: Ribeye, Marbling, Back Fat, Scrotal cm and Pelvic Areas. Also at our website; [www.olsonredpower.com](http://www.olsonredpower.com).

**Mail or Phone Bids:** Bidders unable to make the sale may contact the Olsons or a sale staff member to assist in the bidding process. DVAuction will broadcast the sale live on the internet where you can watch and bid. Further info on that listed below.

*Cattlemen,*

*This year we will be smaller in numbers as we have sold some cows with the market being so good and having trouble finding good help. We have 21 bred females cataloged this year! They are younger, with many good years ahead and represent a balance of the productive bloodlines that have made our herd great.*

*Again we submitted DNA on the bulls to confirm parentage and genetically enhance the EPD profile. This will increase the accuracy of the numbers and give a clearer picture of an animal's true value. We are waiting on RA and a couple Herefords for enhanced EPDs.*

*We hope you can be with us on Thursday the 15th in our heated facility. If you can't make the sale it will be broadcast on DVAuction and videos will be posted there ahead of the sale. We have some who buy sight unseen - We guarantee your satisfaction!*

*Our family has been in the registered cattle business since 1936 and we are committed to providing you great Red Angus & Herefords that are productive, problem free and developed to last. Contact us if you have any questions.*

*Sincerely,  
The Olsons*

*Heifer Bull! Stout made, moderate sized, well muscled, easy doing December bull from very good maternal genetics! Z14 Grandmother has been a very good donor for us - maternal brother was high seller 2 years ago at \$13,500. Top side with Frontier will be great maternally also. Fertility checked 1/23 - 40cm scrotal. Top 5% for SCF, Udder, Teat and MCW.*

*Very good, short marked, long bodied, well muscled bull that did not DNA test to Holland, our herdsire. DNA says he is homozygous polled and free of any defects. With his mother they were selected Supreme Champion Cow/Calf at the RRVF last summer - so he is broke to lead! Fertility checked 1/23 - 42cm scrotal. Dam ratios 109.5% on her calves at weaning!*
